2017-2018 COMMUNITY CONCERTS ANNUAL FUND APPEAL

Dear Music Lover,

The All Seasons Chamber Players is now in its 37th Season! It has performed over 800 concerts in the metropolitan area, received excellent reviews and several awards, and has been featured on several cable TV stations. It has become one of New Jersey's most active and popular ensembles.

An important part of the ensemble's activities is the **COMMUNITY CONCERT SERIES FOR BERGEN COUNTY** which provides 15 free, public chamber music concerts in local public libraries and churches, Petrocelli College (FDU, Hackensack), and the Art Center of Northern New Jersey. The Community Concerts make chamber music accessible and affordable to all residents of Bergen County and enrich the cultural life of the county.

The ensemble urgently needs your support for this season. I hope you will make a generous tax-deductible contribution now. All contributions will be gratefully acknowledged. Please complete and mail the Contribution Form below and return to: All Seasons Chamber Players, 115 Orchard Road, Demarest, NJ 07627. (Envelope enclosed.)

Sincerely,

Peggy Kabakow, Chairperson
